

ANNEX II

1. Valid values for “ModoPublicación” element:

- **Catch up:** temporary rights for lineal broadcasting.
- **Season Stacking:** AKA “In Season Stacking” (ISS). Rights of the episodes broadcasted so far. When the season ends, “Season Stacking” can become “Whole season”.
- **Whole season:** all episodes of the season, when all their rights start and end at the same date (except for old season-stacking ones). Odd seasons are included too. For example: a series premieres season 5. Afterwards, season 4 is received.
- **Box Set:** all episodes of all seasons. As for currently broadcasting series, box set includes all broadcasted seasons so far.

2. Valid values for “TipoDerecho” element:

- **PayTV/Catchup:** Linked-to-lineal VoD session.
- **SVOD:** pure VOD session.

3. Valid values for “Rating” element.
